CHORUS:

The church will live on and on forever,
Built on firm foundation not on sinking sand.
Oh, the church will live on and on forever,
On Christ the Solid Rock the church will stand.

VERSE 1:

Empires may crumble, dynasties may fall,
Things we used to trust in we can't count on at all.
Pain and disappointment may insinuate defeat,
Just because we're wounded doesn't mean that we're beat,

CHORUS:

Oh the church will live on and on forever,
Built on firm foundation not on sinking sand.
Oh, the church will live on and on forever,
On Christ the Solid Rock the church will stand.

VERSE 2:

Anyway you see it this Christian life means war;
Satan now attacks the good stronger than ever before.
Far greater than all the world is the one who lives in me,
We can march to victory if we march on our knees.

CHORUS:

Oh the church will live on and on forever,
Built on firm foundation not on sinking sand.
Oh, the church will live on and on forever,
On Christ the Solid Rock the church will stand.

BRIDGE:

Eyes have not seen, ears have not heard
What my father has in store for you and me.
We will be changed in the twinkling of an eye;
We will reign with him eternally,

CHORUS:

Oh the church will live on and on forever,
Built on firm foundation not on sinking sand.
Oh, the church will live on and on forever,
On Christ the Solid Rock the church will stand.
On Christ the Solid Rock the church will stand.
