

Why I Call You Lord

It is not for wealth or fame I labor
For none of these suffice
But rather lord to find your favor
And in your will abide

Chorus

Lord in You I live and have my being
My all i give to you and more
To know your ways I am blessed in seeing
Why I call you lord

I will not yield to my desires
And die with sins regret
I choose to follow wisdom higher
My heart in Christ is set

Repeat chorus

Bridge

You have determined by your blood I am justified to come
into your presence and never be denied

Repeat chorus
